

i want some one loyal to people

What went well?

What did we keep doing?
What should we celebrate?
Where did we make progress?

socialiy active person is better

who is best among all of them

who can understand people mindset easily

who has best administration skill among all of them

who has ability to manage problem better

i want someone who has better management skill

i dont have better knowladge about politics in thia age

do they think i'm a kid?

What went poorly?

Where did we have problems?
What was frustrating to us or others?

do they think i'm not capable to speak about politics ?

wasting time on it

political juggernaut of 2019 lok shabha election

think more before voting

campare each and every one

analyse their social activities for people

analyse their experience

like can able to take desicion independently

confident on my decision

little bit insecure on my desicion

unsure who to trust

What ideas do you have?

What ideas do you have for future work together?
Where do you see opportunities to improve?
What has untapped potential?

How should we take action?

What do you believe we should do next?
What specific things should we change?
What should extend beyond this meeting?
